# Trip Summary & Itinerary - sample

## Day 1: Auckland – Dubai

Depart from Auckland International Airport onwards to Dubai  
Overnight in flight

## Day 2: Dubai

Arrive into Dubai early morning.

On arrival you are met by your Educating Adventures Representative who assists the group with fast track through immigration and escorts the group post baggage claim to the arrivals area where our guide and driver will be waiting to welcome the group for their transfer to the hotel.

Early afternoon we proceed for a **Full day Traditional and Modern Dubai City Tour**

Learn more about Dubai's rich history and tradition on a tour of the old city. See merchant traders around Dubai Creek, get an insight into times gone by at the Dubai Museum and browse the famous Souks.

## Dubai 3: Dubai

### Expo 2020 Dubai – Global Innovation Concepts

- Experience the concepts of 5G, AI and smart travel at the China Pavilion. Understand how China has artistically integrated its culture and history with modern technology.
- Learn about the innovation spirit of Ukraine with inventions such as an e-bike travelling 380kms on a single charge, blinds using sunlight to generate electricity whilst exploring its cultural heritage.
- Wear cutting-edge connected devices when venturing through the Germany Pavilion that includes The Energy Lab, The Future City Lab and The Biodiversity Lab.
- Understand the United Nations' Sustainable Development Goals by exploring the Expo Global Best Practice Programme and its development projects.
- Immerse in a Virtual World brimming with data at the Mobility Pavilion and step into The City of Tomorrow, where a Robot drone waiter may service you along the way.

## Day 4: Dubai

### Expo 2020 Dubai – Importance of Social Innovation

- Experience high tech, based around the themes of water, wind and light at the Japan Pavilion, is paying homage to the ancient Silk Road Trade Route that connected the Middle East to Japan
- Expect an immersive journey showcasing Saudi Arabia's transformation. Balancing rich heritage and natural wonders with energy, creativity and innovation of its people, the pavilion will demonstrate how the country is shaping both its own and the world's future.
- Discover innovation solutions to solve global challenges in education, health, employment and other sectors with 120 global innovators from 65 countries with the Expo Live Programme.
- Expect amazing night light shows and an innovation lab at the France Pavilion, which explores light as an enabler of progress, a vehicle for connections and a source of heat and creativity.
- Attend a seminar with global thought leaders on the subject of innovation and technology.

## Day 5: Dubai

### Expo 2020 Dubai – The Heritage of Modern Technology

- Explore everything from historical innovations and adventures to biodiversity and organ transplants at the Spain Pavilion, focusing on the Islamic rule in Spain which saw a flourishing of literature, architecture and education.
- Learn about Turkmenistan's heritage and modern achievements and admire a 60-degree imagery of five horses projected onto the walls in an interactive three-sided hologram.
- The Belarus Pavilion will showcase its high-tech creations and sustainability efforts. Expect nature and impressive science on forest growth in this impressive pavilion.
- Dine in one of the country Pavilions for an authentic experience learning about its culture and cuisine.
- Expect a unique journey through American innovation as the USE Pavilion, learning about the Hyperloop's potential to move humanity into the future.

## Day 6: Dubai

### Proceed for a visit to any location of interest

- Aquaventure, water park
- IMG Worlds of Adventure Theme Park
- Wild Wadi Water park
- Dubai Parks and Resorts
- Ski Dubai Mall of The Emirates

### In the late afternoon

The iconic **Dubai desert experience** that can't be missed. Watch the sun go down on a dune drive in the Dubai Desert Conservation Reserve. Arrive at our traditional Bedouin-style camp where an entertaining evening and delicious dinner await.

- 4-wheel drive vehicle
- Takes place in the Dubai Desert Conservation Reserve
- Wildlife sighting
- Exciting dune drive
- Picturesque star-tent sunset stop
- Bedouin-style camp

## Why Teachers Chose EA School Tours

### School tour specialists providing comprehensive teacher resources

Our teacher toolkit provides the planning resources needed to successfully plan an international school trip. From support with fundraising and communication with parents and students to planning checklists, these resources allow busy teacher to stay on track with the planning process.

### Professional local trip representatives providing 24 hour support

The EA difference is our qualified and experienced team on the ground at each of our featured destinations. Your school tour representative will meet and greet, and work with you to ensure flexibility and provide ongoing support throughout your school tour. Our representatives are selected for their ability to quickly develop a great rapport with teachers and students and because they are passionate about providing excellent service.

### Bespoke educational trips, customised to your requirements

EA School Tours have been working with schools for 10 years to facilitate informative and inspiring school tours around the world. In addition to key featured trips to the USA, UK & Europe, NZ, South America and Japan, our experienced team can create bespoke educational travel itineraries for your school. All packages are fully inclusive with flights, accommodation, activities and so much more...

### Superior organisation for a stress free experience

EA School Tours provides an unsurpassed level of support to teachers. From the concept to completion of your school tour, your dedicated school travel consultant will work with you to ensure a memorable and safe experience for your students, parents, and teachers. There is a high level of communication required in order to successfully plan an international trip and our team will ensure the planning is on track to deliver an exceptional school trip.

### Excellent knowledge of local activities

Your school travel consultant will have intimate knowledge of our featured travel locations and a handful of other exciting travel destinations around the globe. Our committed team have been selected because of their knowledge of international travel, their high level of organisational skills and great service, and their ability to source exciting and educational trip activities to add to your overall school travel experience.
